Austin's Feline Exclusive  
Veterinary Hospital

## BOARDING CHECK-IN

Thank you for your patience in taking time to read and complete this form.

As part of our commitment to give your pets the best veterinary care available, we require the following vaccination/tests to be performed BEFORE (OR WHEN) your pet is left in our hospital and boarding facility. If your pet was vaccinated elsewhere, we need proof of vaccinations, including the veterinarians' signature and license number or location of veterinary facility. Our staff will be happy to call the facility where you pet was vaccinated and request a copy of your pets records at no additional cost. These precautions insure that all preventable diseases, which can be communicated in a boarding/hospital setting, are eliminated.

The following vaccinations and procedures are required for admission to boarding:

**Exam (\$59.99), FVRCP (\$15.96 ), and Rabies Vaccine (\$22.48 )**

**Flea Policy:** We do check closely for fleas because we do not want the transmitted to our other patients or boarders. Treatment for fleas will be at your expense so that the Cat Hospital of Austin remains flea-free. We want you to have peace of mind knowing your pet is protected against parasites while in our care.

I have read, understood and accept these conditions. If my pet does not meet these conditions, I authorize Cat Hospital of Austin to administer any of the above **required** services at **my cost**

*In the event of an emergency, the facility has my permission to administer treatment and any medication deemed necessary, not to exceed \$*

## General Boarding Information

### Diet:

We encourage you to bring your cat's regular diet for the duration of the stay. Otherwise your cat will be fed a premium food such as Purina Pro Plan Adult. If your cat will not eat food offered, different options will be assessed or an appetite stimulant may be administered. There are additional costs for protecting a cat's appetite if such measures are needed

\_\_\_\_\_      \_\_\_\_\_      \_\_\_\_\_  
Food Preference      How much      How often
